

BICSI ICT Forum Presenter Application

BICSI is seeking presenters to participate in a day-long event. We are looking to hear from industry leaders and explore the economic effects that drive system improvements and installations through roundtable discussions and vendor demonstrations. Topics include:

- Industry trends, new technology, and where the industry is headed;
- Design and installation best practices;
- Industry effects on hardware, software, and structured cabling

Please complete the information requested below and submit along with an abstract/presentation description and learning objectives. If you would like to submit a proposal for more than one session, a separate application is required. The deadline for PowerPoint® submissions is 30 days prior to the meeting. The required presentation format is a 45- to 60-minute session. Applicants will be notified of proposal selection within five business days of submission receipt. Accepted proposals will require submission of a copy of the presentation for use on the BICSI website and continuing education credit assessment.

Technical presentations must comply with BICSI Guidelines and Agreement.
